**Half-day**

**Tour**

**Cheongwadae(The blue House):**

This is the presidential residence of the Republic of Korea. Tours of Cheonwadae have been conducted since 1998.

**Gyeongbokgung Palace:**

Built in 1394 as the main palace of the Joseon Dynasty(1392-1910) by its founder King Taejo, it is the most comprehensive and grandest of the five palace of the period. Gyeongbokgung, the oldest palace of the Joseon Dynasty, is located at the northern end of Sejong-ro Street. On its grounds stands the National Folk Museum of Korea, where visitors can browser the unique cultural and historical traits of Korea and the lifestyle of bygone days.

**National Folk Museum of Korea**

As the only national museum on folklore, it displays about 4,000 items on Korea's traditional way of life. There are three permanent exhibition halls, two special exhibition halls, a shop and a reference room.

**July. 23**

Half-day

Tour

**Freedom Bridge:**

The only bridge crossing Imjin River and also the only one bridge between South and North Korea. The history says Since about 13,000 war captives crossed the bridge crying Hurrah for freedom, which gave bridge its name, "the bridge of freedom". It was originally the Kyoungui railway bridge, and reconstructed to the road bridge later.

**The 3rd Tunnel:**

The North Korean Tunnel, one and half hours drive from Seoul, was designed to make a surprise attack on Seoul. The visit is a real eye-opening experience and it will leave you with a dramatic sense of the tremendous tragedy of separated families, the division of the peninsular and the hopes for tragedy of separated families, the division of the peninsular and hopes for reunification.
